Husband	Lars OLSEN Folderoid
Wife	Able Maria CHRISTOPHERSDTR Foldereid
Notes	WIFE - Able Maria CHRISTOPHERSDTR Foldereid Christening record from FHL INTL Film # 0125349. Note that the date is not available in a legible form. Death information from FHL INTL Film # 0125349. She died at the age of 85 years. CHILD 3 - Elen LARSDTR Folderied Christening information from FHL INTL Film # 125349. there is confusion about this individual. She could have another husband, Erik Sivertsen, b 1727, d 1789, m 1762 in Kilveried. the problem is that she had children with this man while she was supposedly married to Jacob Pedersen Sjolstad. Both of these women have the same birth year, father and mother. It needs to be checked out thoroughly. According to the record of her family with Erik her death date is 20/8/1827, her death date for her family with Jacob is 9/2/1822. There may be two different women with the same b date and parents living in different places. What are the odds?
